Technical data sheet

Socket 0°, Connect 45, protective contact, triple

Item number: 6120382

Protective contact socket with connection to side, triple 0° , with increased touch protection, with screwless terminals, 2-pin, 16 A, 250 V~, with connection terminals to IEC 60884-1, suitable for the installation in Rapid 45 device installation trunking systems.

For installation in Rapid 45 trunking, device installation trunking, service poles, underfloor systems and desk boxes.

Polycarbonate
