

Technical data sheet

Complete solution, GES4 service outlet

Item number: 7427460

Square installation unit with cord outlet for use in dry-care cavity floors and screed floors for indoor use, consisting of an installation housing and GES4-2 service outlet (colour Iron grey; RAL 7011) with two universal supports. Installation housing with pre-marked insertion openings for pipelines (M25), adjustable to top edge of screed. In the as-delivered state, the installation housing is closed with a blanking lid. After screed work, the service outlet can be inserted in the created mounting opening. 3, 5, 8 or 10 mm floor covering recess in the hinged cover of the service outlet.

The minimum installation depth is 72 mm including floor covering, the height adjustment range +30 mm.
Up to 6 individual Modul 45® devices can be installed.

PA Polyamide
